Betreff: Visite to Canada

Good evening Monika and Jeremie,

I hope this message finds you both well. I am following up on the agreement between Andreas and Daniel as per your visit to Canada and Library and Archives Canada. We are in the process of outlining how we would like to proceed with internal training and we will have a better idea in the next week or so.

My Director colleagues are aware of your visit and eager to participate in fruitful discussions concerning the work we are all doing and how we are moving forward. The timing that was discussed in the earlier e-mails (mid-september to mid-october) would still be the best time to organize the visit.

Can you please let me know if this timeframe is acceptable and we can continue planning from there.

Looking forward to meeting you and working with you over the coming months.

Best regards,
Ciao
Fabio
