Case File MIDA applies, but this series contains no archival records; click to show/hide details

## Notification of Destruction

During the implementation phase (March 2007-2009) of RDA 2005/006, institutions must notify LAC of any proposed destruction of records using RDA 2005/006. Use the following button to notify LAC of a proposed destruction, only for records that belong to this series. Please do not proceed with destroying any of these records until LAC verifies the Notice of Destruction by sending the institution a written confirmation.

Notify of Intent to Destroy

## Archivist's report

MIDA 2005/006 applies to this series since the records meet the three-part definition of a case file records and are not excluded from the scope of the MIDA's coverage as outlined in Section A of the Terms and Conditions. Furthermore, none of the archival criteria applies to the series.

This Institution Report was approved by Margaret Dixon on 2007-12-19
