Hello Krystyna,

Glad to hear back from you so soon. The week from the 29 September - 03 October would be preferable as it will provide Monika and Jérémie to meet the management team of the Government Records Branch and our senior resident experts on Records Management / Recordkeeping and Digital Archiving. Further, they will have the opportunity to attend as observers an Orientation session to the Public Service for Senior Managers that will be given by the Canada School of Public Service from 30 September to 01 October (See link below).

With respect to information on accommodation near our offices, please consult the link below. It provides a list of hotels that you may want to contact:
