Betreff: Study visit of delegation from Uzbekistan on October 2, 2008

Dear Céline Terry,

On behalf of ICTP project (a joint project of UNDP-Uzbekistan and the Government of Uzbekistan), I would like to avail myself of this opportunity to present our profound respect and compliments to your organization and extend a sincere thank you for taking the time to meet with delegation from Uzbekistan on 2 October 2008 and share your valuable experience in ICT and e-archiving.

Based on the discussions with the delegation members and information gathered during the meetings, I feel certain to state that the delegation had very productive meeting and that the study tour to Switzerland would not have been such a success without Federal Archives being part of it.

The members of delegation were pleased with the opportunity to get a closer look at Federal Archives and to hear of the many ICT initiatives being undertaken. You and your colleagues did an excellent job by explaining your accomplished projects and priority directions and engaging the members of delegation. From presentations and discussions, the members of delegation gathered very good information regarding your achievements in e-archiving area and we are sure that your inputs will help us in planning and implementing the similar initiatives in Uzbekistan.

We hope that there will be opportunities for further collaboration between our organizations. Again, we appreciate the time and energy you and your colleagues have devoted to our meeting and we look forward to meeting with you again in the near future. Please feel free to contact us anytime if we can be of any assistance to you.

Thank you and hope to see you one day in Uzbekistan.

Very truly yours,
